

Naples Information Net Net Control Preamble

Opening Preamble:

Good evening everyone, welcome to the Naples Information Net. This is (your name & call), your net control station for this evening. The net this evening, is a sponsored activity of the ARASWF club.

We meet every Wednesday at 8:00pm local time on the WB2QLP repeater (146.670- mHZ with a 136.5 HZ PL tone). If this repeater is not available we QSY to 146.640- mHZ, the WA3JGC repeater (136.5 PL tone).

This is a directed net; so please follow the directions of the NCS. The purpose of this net is share information about ARASWF activities, check out our rigs, exchange signal reports, and hopefully answer any technical question you may have this evening.

We will begin with any station with priority traffic or stations that are short on time this evening. Callsigns, Please?

Next we will take regular check-ins. You need not be a member to check-in, please respond by saying "net control" or "this is", then release your PTT (unkey), Check if you are doubling with another station. If clear, rekey and give your call sign, name, and location. If you are mobile, or short of time please let net control know this when checking in this evening.

I will now take regular check- ins:

Closing Preamble:

If you are interested in joining the ARASWF, please go to our club webpage at www.araswf.org and navigate to the Officers' page and send an email to the club secretary.

Are there any further questions or comments before we close this net session?

Hearing no further questions, this is (your name & callsign) returning the repeater to normal usage. I would like to thank everyone this evening for taking the time to check-in.

Good evening to all.
